# MEMORY CARD

**How have you been touched by** ?

New Black Panther Party being inspired to build their community up, offer a platform to speak & for others to be heard, educate about history, laws, food resources, gun safety, self defense, etc. OH & mental health ⬆ i feel moved & deeply appreciate the inclusivity for allies & the multidimentional organization is STILL motivating people of all ages to continue to evolve themselves & make efforts to uplift their communities. im thankful for the personal care & attention to children, seniors & everyone in between ♡
